

50 GALLON MOBILE SPILL BINS & REFILLS L90350, L90350R, L90450, L90450R, L90550, L90550R

Issue: Most plants or fleets that encounter leaks, drips, sprays or spills and are required to maintain a spill control plan. Potential safety hazards are present around machinery or storage areas where a risk of injury or chemical reaction is possible.

Solution: Be prepared with a spill control plan that can be implemented with absorbent products readily available, either to use in case of an emergency, or to control daily leaks and spills that may occur.

Description: OIL-DRI® offers mobile spill kits designed for universal, haz mat and oil only applications. These spill kits have all the tools needed for emergency cleanup! All items come packed in a rolling bin for easy mobility in reacting to spills in a timely manner. Kits are designed to absorb up to 50 gallons.
