

## PRODUCT DATA SHEET

## OIL-DRI QUICK-SORB 105000G60, 105025G70

**Issue:** Potential safety hazards are present around machines or in storage areas where leaks, drips, sprays or spills are most likely to occur.

**Solution:** A spill control plan should be developed with absorbent products readily available to control daily leaks and spills around your plant or to use in case of an emergency.

**Description:** Made from the same high-quality mineral as our best selling Oil-Dri® absorbent, Oil-Dri® QuickSorb® has been specially processed for greater absorption power. Smaller granules offer more surface area and allow Oil-Dri QuickSorb® to absorb up to twice as much liquid per pound as conventional floor absorbents. Use half as much volume to absorb ALL the liquid! Use on a variety of spills, including oil, grease and water.

**Disposal:** Oil-Dri products must be disposed of in compliance with local, state and federal regulations. Since various fluids absorbed may be of toxic or hazardous in nature, Oil-Dri does not recommend disposal procedures.

ITEM#	DESCRIPTION	PER PALLET	PACKAGE SIZE	WEIGHT	UPC
105025G70	25 lb. Poly Bag	70	24" x 15" x 5"	25 lb.	041788050252
105000G60	20 lb. Pail	60	10" x 10" x 15"	20 lb.	041788050009

Unused material is suitable for disposal in sanitary landfill. Disposal procedures for used material are based on nature of fluid absorbed.

Please comply with all local, state and federal environmental regulations when disposing of this product.

Oil-Dri is a leader in developing, manufacturing and marketing sorbent products and has been making work environments cleaner and safer for nearly 70 years. With such a rich history, the Oil-Dri brand is trusted and recognized coast-to-coast. Our offerings include top quality granular absorbents as well as a complete line of synthetic absorbents such as polypropylene pads, socks, rolls, pillows, booms and emergency response spill kits. The versatility of our product line allows us to provide sorbent solutions for all of your maintenance and safety needs.
