

Spill Kits Product Data Sheet

95 Gallon Spill Kits

L90667, L90667R, L90943, L90943R, L90415, L90415R

Issue: Most plants or fleets that encounter leaks, drips, sprays or spills and are required to maintain a spill control plan. Potential safety hazards are present around machinery or storage areas where a risk of injury or chemical reaction is possible.

Solution: Be prepared with a spill control plan that can be implemented with absorbent products readily available, either to use in case of an emergency, or to control daily leaks and spills that may occur.

Description: OIL-DRI® offers spill kits designed for universal, oil only and haz mat applications. These spill kits have all the tools needed for emergency cleanup! All items come packed in a sturdy 95 gallon overpack for easy storage.
