

Universal Absorbents Product Data Sheet

Garage Guard / Poly Backed Industrial Rug L90695, L90696, L90793, L90691

Issue: Leaks, drips, sprays and spills can cause damage and stain surfaces under automobiles, lawnmowers and motorcycles. Workbenches, shelves and walkways are also vulnerable to damage caused by spills and moisture.

Solution: Develop a spill control plan with absorbent products readily available to control daily leaks and spills around your garage or plant to use in case of an emergency.

Description: OIL-DRI® Garage Guard and Poly Backed Industrial Rug shields and protects garage floors and work surfaces by absorbing fluids without allowing them to penetrate the non-slip poly backing.

Features & Benefits:

- **Packaged for Retail Sales** - Eye catching bi-lingual label has great shelf appeal.
- **Industrial Strength Poly Backing** - Won't rip or tear even when saturated.
- **Surface Protection** - Liquids can not penetrate poly backing
- **Cuts Easily to Any Shape for Multiple Uses** - Use as vehicle trunk liner, floor mats, door mat or walkway runner.

Product Specifications:

- **Composition:** Needle Punched Polypropylene
- **Color:** Grey/Black
