

# Oil-Dri Absorbs-It Clay Absorbent

## 28 and 35 quart bags available from GA and MS plants

**Issue:** Potential safety hazards are present around machines or in storage areas where leaks, drips, sprays or spills are most likely to occur.

**Solution:** A spill control plan should be developed with absorbent products readily available to control daily leaks and spills around your plant or to use in case of an emergency.

**Description:** Absorbs-It is a blended formula of select grades of clay engineered to achieve the highest absorbency for the cost of product. Used to absorb oils, mixtures of soluble oils, acids, paints, inks, water and other liquids. Proper use of these products can reduce slipping accidents and hazards, prevent flash oil fires and keep floors clean and dry. Do not use with turpentine, vegetable oil, unsaturated organic compounds or hydrofluoric acid.

**ABSORBS-IT 28 AND 35 QUART BAGS**

| ITEM #     | DESCRIPTION       | BAG SIZE           | BAGS/PALLET    | UPC          |
|------------|-------------------|--------------------|----------------|--------------|
| I01128-G60 | 28 Quart Poly Bag | 24.5" x 16" x 4.5" | 60 bags/pallet | 041788011284 |
| I01135-G50 | 35 Quart Poly Bag | 24.5" x 16" x 6"   | 50 bags/pallet | 041788011352 |

**Disposal:** Absorbs-It must be disposed of in compliance with local, state and federal regulations. Oil-Dri does not recommend disposal procedures as fluids absorbed may be toxic or hazardous in nature.

Oil-Dri is a leader in developing, manufacturing and marketing sorbent products and has been making work environments cleaner and safer for nearly 70 years. With such a rich history, the Oil-Dri brand is trusted and recognized coast-to-coast. Our offerings include top quality granular absorbents as well as a complete line of synthetic absorbents such as polypropylene pads, socks, rolls, pillows, booms and emergency response spill kits. The versatility of our product line allows us to provide sorbent solutions for all of your maintenance and safety needs.
